I bought the book on a Kindle when I first discovered AbeBooks and I'd bought the same book for my students at Teachers College and I thought that I'd 'lost' my copy! But fortunately I have 2 copies of this wonderful book, my Kindle and the teachers copy I'd bought at the time and thankfully, one of the copies had the student version of the answers included!"Since the more conventional handles found in today's gate locks are either too heavy for children to be able to handle easily, or unsightly, there is a need for a child's gate lock that is light in weight and attractive in appearance. For example, U.S. Pat. No. 4,937,971, to Folk, and U.S. Pat. No. 4,805,902, to Wolfe, each disclose gate locks having a housing that contains an actuator mechanism. U.S. Pat. No. 5,004,272, to Daltry, and U.S. Pat. No. 4,944,540, to Nalley, each disclose a latch actuator that replaces the conventional toggle actuated latch. Unfortunately, the designs are limited to use in a double latch configuration. Which Disney movies have the most Disney fans?
